ZIP-20 series is quite different from the range: It fits in any operational environment! Further, a choice of 35 + 35 Hot keys will meet various user's preference. The standard interface such as Serial / RJ45 / parallel allows communication with other peripherals like Bar code scanner, Cash Drawer, Weighing Scale / PC / Pen Drive etc. The system is developed in-house to cater the need of the small & medium outlets. More than 50,000 installations of various models manufactured by Micromation are working throughout the Country.
